A Motion to approve and pay bills by Manager Moen, Seconded by Manager Ross, Carried.

Since Manager Wilkens had to leave early, he asked if item #10 on the agenda could be moved up. It was so allowed. The item is a proposal on joint funding of a legal challenge. After discussion there was a Motion by Manager Finney, Seconded by Manager Younggren to authorize Dorsey and Whitney law firm to enter a "Friend of the Court" (Amicus brief) on behalf of the Sand Hill Watershed District in the matter of Beiswenger et. al. vs Sand Hill Watershed District. This court case involves an appeal of the Sand Hill Watershed District decision on a drainage ditch petition, duly Carried.

District Reports:

• The Two Rivers WD reported they are still checking out damage; 20 percent of the floodwater is coming from the Roseau River watershed.

• The Wild Rice WD managers authorized submittal of a BWSR Challenge Grant Application for funding of its Water Quality Assessment for the Wild Rice/ Marsh River Project. The Managers
request participation in the amount of $25,000 from the Red River Watershed Management Board. On Motion by Manager Nelson, Seconded by Manager Ross to authorize expenditures of $25,000 which will equal the previous level of support authorized for the water quality project.

- The Buffalo-Red River WD reported the District has made the final order for Clay CD 50, the main channel for the City of Dilworth. Final orders for the other Moorhead-Dilworth projects are being held until a formal agreement is made with Burlington Northern Railroad. Right-of-way easements are being negotiated with the landowners along the Hawley diversion project.

Dr. J. L. Richardson, Engineer at NDSU and advisor and consultant for the Buffalo-Red River WD, presented a project concerning groundwater hydrology and seepage of altered wetlands. On Motion by Manager Finney, Seconded by Manager Moen to accept the proposal as presented with funding as follows, duly Carried.
